

SAVE MONEY SAVING ENERGY FOR YOUR BUSINESS

LiveSmart BC Small Business Program

BUSINESS ENERGY ADVISOR:

-  Targets small businesses that spend up to \$50,000 per year on electricity.
-  Business Energy Advisors will be available to visit eligible businesses and work directly with them to identify potential energy and money saving opportunities, including lighting, hot water, heating and ventilation improvements.
-  Advisors will help businesses access other available incentives and LiveSmart BC

DIRECT INSTALL:

-  Targets small businesses that spend up to \$20,000 per year on electricity.
-  Coordinates and funds 100% of the cost to install select energy efficiency products.

ENHANCED PRODUCT INCENTIVES:

-  Targets businesses that are eligible for BC Hydro's PIP program. For more information, visit www.bchydro.com/incentives.
-  There are currently product incentive programs available throughout the Province, providing cash rebates on more than 10,000 energy efficient technologies.
-  The LiveSmart BC: Small Business Program will enhance the value of the rebates, allowing businesses across the province to save even more.
